Aims and Scope

The *Australian and New Zealand Journal of Surgery* is published by Blackwell Science Asia on behalf of the Royal Australasian College of Surgeons to provide a medium for the publication of original contributions related to clinical practice and/or research in all fields of surgery and related disciplines. It also provides a programme of continuing education for surgeons. All articles are peer-reviewed by at least two researchers expert in the field of the submitted paper.

None of Blackwell Science Asia, the Royal Australasian College of Surgeons, ACN 004 167 766, or any of its Servants or Agents will have any liability in any way arising from information or advice that is contained in *The Australian and New Zealand Journal of Surgery*. Statements or opinions that are expressed in the Journal reflect the views of the authors and do not necessarily represent the official policy of the Royal Australasian College of Surgeons.

Editorial Correspondence

Papers and other material for publication should be sent to The Editor, *Australian and New Zealand Journal of Surgery*, 54 University Street, Carlton, Vic. 3053, Australia. Tel: (+61) 3 9347 0300, Fax: (+61) 3 9347 5001.
